

Name: _____ Date: _____ Score: _____

Simplify the fraction (hint: some fractions may already be in their simplest form!)

1). $\frac{10}{12}$

<input type="checkbox"/>	$\frac{10}{13}$	<input type="checkbox"/>	$\frac{5}{7}$	<input type="checkbox"/>	$\frac{6}{6}$	<input type="checkbox"/>	$\frac{5}{6}$
--------------------------	-----------------	--------------------------	---------------	--------------------------	---------------	--------------------------	---------------

2). $\frac{2}{8}$

<input type="checkbox"/>	$\frac{2}{9}$	<input type="checkbox"/>	$\frac{1}{5}$	<input type="checkbox"/>	$\frac{2}{4}$	<input type="checkbox"/>	$\frac{1}{4}$
--------------------------	---------------	--------------------------	---------------	--------------------------	---------------	--------------------------	---------------

3). $\frac{4}{12}$

<input type="checkbox"/>	$\frac{2}{3}$	<input type="checkbox"/>	$\frac{1}{3}$	<input type="checkbox"/>	$\frac{4}{13}$	<input type="checkbox"/>	$\frac{1}{4}$
--------------------------	---------------	--------------------------	---------------	--------------------------	----------------	--------------------------	---------------

4). $\frac{3}{5}$

<input type="checkbox"/>	$\frac{6}{10}$	<input type="checkbox"/>	$\frac{3}{6}$	<input type="checkbox"/>	$\frac{4}{5}$	<input type="checkbox"/>	$\frac{3}{5}$
--------------------------	----------------	--------------------------	---------------	--------------------------	---------------	--------------------------	---------------

5). $\frac{4}{12}$

<input type="checkbox"/>	$\frac{4}{13}$	<input type="checkbox"/>	$\frac{1}{4}$	<input type="checkbox"/>	$\frac{2}{3}$	<input type="checkbox"/>	$\frac{1}{3}$
--------------------------	----------------	--------------------------	---------------	--------------------------	---------------	--------------------------	---------------

6). $\frac{2}{4}$

<input type="checkbox"/>	$\frac{1}{3}$	<input type="checkbox"/>	$\frac{2}{2}$	<input type="checkbox"/>	$\frac{1}{2}$	<input type="checkbox"/>	$\frac{2}{5}$
--------------------------	---------------	--------------------------	---------------	--------------------------	---------------	--------------------------	---------------

Answers

1). $\frac{10}{12}$

<input type="checkbox"/>	$\frac{10}{13}$	<input type="checkbox"/>	$\frac{5}{7}$	<input type="checkbox"/>	$\frac{6}{6}$	<input checked="" type="checkbox"/>	$\frac{5}{6}$
--------------------------	-----------------	--------------------------	---------------	--------------------------	---------------	-------------------------------------	---------------

2). $\frac{2}{8}$

<input type="checkbox"/>	$\frac{2}{9}$	<input type="checkbox"/>	$\frac{1}{5}$	<input type="checkbox"/>	$\frac{2}{4}$	<input checked="" type="checkbox"/>	$\frac{1}{4}$
--------------------------	---------------	--------------------------	---------------	--------------------------	---------------	-------------------------------------	---------------

3). $\frac{4}{12}$

<input type="checkbox"/>	$\frac{2}{3}$	<input checked="" type="checkbox"/>	$\frac{1}{3}$	<input type="checkbox"/>	$\frac{4}{13}$	<input type="checkbox"/>	$\frac{1}{4}$
--------------------------	---------------	-------------------------------------	---------------	--------------------------	----------------	--------------------------	---------------

4). $\frac{3}{5}$

<input type="checkbox"/>	$\frac{6}{10}$	<input type="checkbox"/>	$\frac{3}{6}$	<input type="checkbox"/>	$\frac{4}{5}$	<input checked="" type="checkbox"/>	$\frac{3}{5}$
--------------------------	----------------	--------------------------	---------------	--------------------------	---------------	-------------------------------------	---------------

5). $\frac{4}{12}$

<input type="checkbox"/>	$\frac{4}{13}$	<input type="checkbox"/>	$\frac{1}{4}$	<input type="checkbox"/>	$\frac{2}{3}$	<input checked="" type="checkbox"/>	$\frac{1}{3}$
--------------------------	----------------	--------------------------	---------------	--------------------------	---------------	-------------------------------------	---------------

6). $\frac{2}{4}$

<input type="checkbox"/>	$\frac{1}{3}$	<input type="checkbox"/>	$\frac{2}{2}$	<input checked="" type="checkbox"/>	$\frac{1}{2}$	<input type="checkbox"/>	$\frac{2}{5}$
--------------------------	---------------	--------------------------	---------------	-------------------------------------	---------------	--------------------------	---------------
